Q 843577

Federal and State law requires that you state the mileage in connection with the transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment.

IMPORTANT NOTICE: This certificate is transferable only when recorded and filed with the Motor Vehicle Administration and is valid only while the vehicle described on the face is owned by the individual, firm or corporation named thereon. TITLE AND SECURITY INTEREST FILING FEES ARE REQUIRED. Maryland excise tax is assessed on the greater of the total purchase price if verified by the Administration's notarized Bill of Sale (VR181) signed by buyer(s) and seller(s) or minimum allowed by law. When Bill of Sale (VR181) does not accompany the title, tax is based on the valuation shown in a national publication of used car value used by this Administration. If the vehicle is over seven (7) model years of age the tax is based on the greater of purchase price or minimum allowed by law. No Maryland Certificate of Title will be issued until all security interest or liens filed with the Motor Vehicle Administration have been officially released on the face. However, this vehicle may be subject to liens or encumbrances not filed with the Motor Vehicle Administration. If this is a Duplicate Title it may be subject to the rights of a person under the Original Certificate. MARYLAND MOTOR VEHICLE ADMINISTRATION-6601 RITCHIE HIGHWAY, N.E.-GLEN BURNIE, MARYLAND 21062.
